# WE HAVE SET OURSELVES THE HIGHEST STANDARD IN THE DELIVERY OF SERVICES TO OUR CLIENTS: THAT OF EXCELLENCE

Civitas Law is one of the leaders in dispute resolution. We provide services for the resolution, avoidance and management of disputes by:

- Arbitration.
- Adjudication.
- Mediation.
- Early neutral evaluation.

Civitas Law arbitrators, adjudicators and mediators are experienced and impartial. They act with integrity and independence. Being barristers as well arbitrators, adjudicators or mediators, we at Civitas Law are used to quickly understanding difficult and complex legal or factual problems, identifying issues, communicating effectively and producing fair and effective solutions.

Civitas Law also provides representatives for parties who are involved in arbitration, adjudication or mediation.

Whatever the dispute it may be possible to resolve, avoid or manage it without having to resort to litigation. Even if you are in litigation it may still be possible for the matter to be brought to an end by dispute resolution. The advantages are that disputes can be settled quickly, cost effectively and privately, taking away the stress and inconvenience associated with going to court.

The facilities at Civitas Law are ideal for conducting arbitrations, adjudications and mediations though, if you prefer, the process can take place at your chosen venue.

Civitas Law provides a dispute resolution service to assist commerce, industry and public bodies.

If you have a dispute, please contact our dispute resolution manager, Andrea McLean on 0845 0713 007 or e-mail [dr.manager@civitaslaw.com](mailto:dr.manager@civitaslaw.com) and we will be delighted to assist.
